MEDICINE24

OPTIMAL MANAGEMENT OF THE ACUTELY ILL PATIENT
THE FIRST 24 HOURS

9-10 September 2019

University of Strathclyde Technology and Innovation Centre

Medicine24 is the flagship medical conference of the Royal College of Physicians and Surgeons of Glasgow. This two-day conference provides up-to-date information on the optimal management of acutely ill patients within the first 24 hours of admission.

SIGN UP TODAY *rcp.sg/med24flyer*

rebecca.speirs@rcpsg.ac.uk +44 (0)141 221 6072

Now in its fifth year, Medicine24 2019 will cover the most common situations that present in busy receiving wards, and will include updates in a range of medical specialties:

- Cardiology
- Working with other disciplines
- Haematology
- Rheumatology
- Stroke and migraine
- Adverse reactions
- Endocrinology and diabetes

This year the conference will be held at the University of Strathclyde's Technology and Innovation Centre (TIC). This venue is Strathclyde's world-class research facility and was recently named the UK's Best Academic Venue at the 2018 Meetings and Incentive Travel Awards.

POSTER COMPETITION

The Medicine24 poster competition is open for submissions. We are calling for abstracts on a range of topics relating to general medicine and the acute take.

Please submit your abstract to *rebecca.speirs@rcpsg.ac.uk*

The closing date for submissions is **Friday 26 July 2019**, guidelines are available on the website.
