GREETING MESSAGE

Dear Colleagues and Friends

On behalf of the Hong Kong College of Emergency Medicine (HKCEM), we would like to invite you to join the 9th WINFOCUS World Congress on Ultrasound in Emergency & Critical Care – “Emergency and Critical Care from Blind to Brilliant”, to be held in Hong Kong from 6th to 9th November, 2013.

We are honored to be the co-organizer with WINFOCUS for the 9th WINFOCUS World Congress. HKCEM is one of the 15 colleges within the Hong Kong Academy of Medicine. Our college was established in the year 1996. In 2006, a group of Emergency physicians interested in Ultrasound formed an Ultrasound Interest Group and started to promote Ultrasound training and practice. A formal Ultrasound Subcommittee was then established in 2007. We are devoted to Ultrasound training and development as we organize different levels of Ultrasound courses every year. Every Accident & Emergency Department in Hong Kong is now equipped with one or more Ultrasound machines, and bedside Point-of-care Ultrasound examination becomes an indispensable part in our daily practice.

Ultrasound is regarded as a visual stethoscope, just like turning a blind people into one with brilliant vision. In the past, we could only imagine the internal organs by various physical examinations such as palpation, percussion and auscultation. With the utilization of Ultrasound, we can now visualize the internal organs directly and make the correct diagnosis right at the bedside, which were impossible in the past. For example, in the management of Pulseless Electrical Activity during resuscitation, we can use Ultrasound to visualize the pneumothorax, acute right heart strain with possible thrombi in right heart, a hard-working heart with hyperdynamic circulation and empty ventricles, or even a small failing heart that is compressed by a thick layer of pericardial fluid. Without Ultrasound, we are very likely to lose these patients as these signs are all very subtle by physical examination, and every second counts during resuscitation.

In 2013 World Congress we are pleased to organize 10 pre-conference Ultrasound courses run by a worldwide cutting-edge Faculty, covering different specialties from paediatric to adult, ABCDE in resuscitation to trauma scenarios, nursing colleagues to specialized Ultrasound trainers. In the conference, apart from the plenary lectures by our most renowned speakers from different parts of the world, we will also run different organ-based and problem-based workshops to share our experience and knowledge.

Hong Kong is a very beautiful city and it is regarded as the Pearl of the Orient. You must not miss the wonderful panorama of the Victoria Harbour especially in nighttime. Besides, Hong Kong is also regarded as a shopping paradise as we have an incredible variety of goods from all over the world and most of them are tax-free. I am sure you will enjoy every moment in Hong Kong and I am looking forward to seeing you in Hong Kong.

Congress President

Hiu Fai Ho

**ARDMS/WINFOCUS Intracurricular Assessment
Pilot for Basic Echo & Lung Course Participants**

ARDMS and WINFOCUS have partnered to create intracurricular assessments for the WINFOCUS Basic Echo and Ultrasound Life Support Basic Level 1 Provider courses. Students will be expected to complete three assessments – one before the course, one in Hong Kong at the conclusion of the course, and one six months after the course.

Participation is mandatory for all students in these classes. The exams will be administered in English, so participants must be able to read the English language well. They will be computer or iPad based assessments. The Pretest must be completed prior to the start of the course. Late registrants and those unable to test before arrival may arrange to test at the Congress venue the evening of November 5 or early in the morning on November 6.

Walk-ins and late registrants will not be accepted after 7:30 on November 6.

TRANSFER AND TRANSPORT

The Hong Kong International Airport situated on Lantau Island is one of the world's largest and most modern airports. It truly makes Hong Kong the transport hub of Asia, being directly accessible from all over the world with over 5,300 international flight to 140 cities every week.

For general transport, taxis are plentiful and inexpensive. Red taxis serve Hong Kong except the south of Lantau; Green taxis serve the rural areas of the New Territories; Blue taxis serve only Lantau Island.

The MTR (Mass Transit Railway, <http://www.mtr.com.hk>), allow easy access throughout the territories.

Public bus, tram and ferry services are also frequent.

When you arrive Hong Kong International Airport, you may take Airport Express, bus or taxi to your hotel. You may check (<http://www.hongkongairport.com>) for more details.

ACCOMMODATION

Congress participants who wish to stay in Hong Kong may take advantage of the rooms which have been reserved for the purpose at special rates at L'Hotel Island South, a few minutes by taxi from the Congress Venue.

Please note that the deadline for hotel reservation is September 30, 2013. After this deadline, reservations will be accepted only if rooms will be still available.

SOCIAL PROGRAM

Please find below a selection of the most popular and attractive tours you could join in during the Congress, from November 5th to November 9th, 2013.

Tours are reserved for delegates and organized according to special rates.

PEAK AND STANLEY TOUR

(HK\$500.00 per person)

DURATION: 4 hours

(9.00am-1.00pm or 2.00pm-6.00pm)

The tour begins with a visit to Stanley Market - the perfect place to buy something special for friends or relatives. The historic lanes in this old fishing village are overflowing with vendors selling classic Chinese artwork, silk collectibles and curios, as well as larger-sizes clothing.

Take a scenic ride along the relaxing southern shore to Repulse Bay – the Mecca for the swimmers in summer. Continue to Aberdeen Fishing Village where we offer you a sampan ride in the typhoon shelter to glimpse the life of traditional fisher folk living in floating home. The last stop is one of the most popular attractions in Hong Kong, the Peak to enjoy stunning views of the surrounding city skyline, the world-famous Victoria Harbour and Kowloon, towering skyscrapers, and gain a sense of Hong Kong's rich colonial heritage.

NGONG PING 360 & LANTAU HIGHLIGHTS WITH LUNCH

(HK\$950.00 per person)

DURATION: 6.5 hours

(9.00am-3.30pm)

A journey of enlightenment to soothe your soul and broaden your mind can be found on Lantau Island. The tour begins

GENERAL INFORMATION

with a cable-car ride climbing 5.7 km from Tung Chung, up the mountains to the delightful Chinese village of Ngong Ping. Here you can visit one of Hong Kong's main attractions, the PoLin Monastery where you can see the world's tallest outdoor-seated bronze statue of the Buddha. The tour concludes with a vegetarian lunch and a visit to the Tai O fishing village before returning downtown.

ONE-DAY EXCURSION TO MACAU TOUR WITH LUNCH (HK\$1,150.00 per person)

DURATION: 10 hours
(8.00am-6.00pm)

Just a 45 minutes jetfoil ride apart, the two cities of Macau and Hong Kong offer visitors a fascinating contrast in styles. Macau, was the oldest Portuguese settlement in the Far East. Today Macau is a Special Administrative Region of People's Republic of China, and like Hong Kong, benefits from the principle of "one country, two systems". It is filled with its own unique character and style. Tour highlights include visits to the 600 year-old Goddess of Mercy Temple, the historical Barrier Gate between Macau and Mainland China, the Ruins of Sao Paulo, San Ma Lo, and Penha Hill. Lunch will be provided at one of the many exquisite Macanese cuisine restaurants. Try your luck in the casinos before returning to Hong Kong.

The minimum number of participants required for each tour is 6. In case this number will not be reached, an alternative tour will be offered to participants. The meeting point for pick up and drop off will be L'Hotel Island South (55 Wong Chuk Hang Road, Aberdeen, Hong Kong).

Fees are individual and include:

- > Transfer by private coach
- > Guide
- > Entrance fees when expected
- > Food and beverage (for full day programs)

Fees do not include:

- > Personal Extras
- > Anything not specified

Tours can be booked and payed by filling in the registration form available at:

- > www.winfocus.org/world/hongkong2013
- > www.noemacongressi.it

Payment by credit card is available following the instructions on the registration form and the receipt will be sent by Swire Travel Limited to participant by email.
