Dear Colleagues,

The Society of Intensive Care Medicine (SICM) Singapore and the Australian & New Zealand Intensive Care Society (ANZICS) are delighted to invite you to Singapore for the 3rd Singapore-ANZICS Intensive Care Forum 2015 (SG-ANZICS) – the premier clinical ICU meeting in the Asia-Pacific region.

As with previous conferences, we are excited to have a superb line-up of renowned ICU clinicians, researchers, and educators. These include Rinaldo Bellomo, Daniel DeBacker, Gordon Rubinfeld, John Marini, Pierre Singer, Moritoki Egi and many others from Asia, Australia, New Zealand and around the world.

The theme of the conference is “Intensive Care Pearls from East and West”. Drivers of landmark studies from past and present, including the recent ARISE and HARP-2 trials, as well as leaders of critical care communities will share their insights on clinical issues facing the intensivist today.

Do join us for a weekend of learning, sharing and networking opportunities with the ever-growing ICU community in the Asia-Pacific region. We look forward to seeing you in Singapore!
