

A *FRESH* Perspective on IV Fluid Management Today

Saturday, 10 April 2021 09:00-10:15am (HKT)

Live webcast

We are delighted to invite you to a live webcast that is co-organised by the Society of Anaesthetists of Hong Kong (SAHK) and the Hong Kong Society of Critical Care Medicine (HKSCCM). The webcast aims to provide an overview of current fluid management techniques, review fluid responsiveness applications, and assess the utility of bioimpedance and bioreactance.
